Service Timeline & Policy

- **Turnaround:** Typically 2 business days after we receive your switch. Please allow up to 4 business days in some cases.
- **Core condition:** Your switch must be rebuildable. If it cannot be rebuilt, we'll return it and refund your payment minus \$10.00 for return shipping & handling.
- **Updates:** We will email tracking and update your order status when your rebuilt switch ships back to you.

By signing below, you authorize WC Parts Source LLC to perform the rebuild service on your supplied pull-down reversing switch and acknowledge the core condition policy above.
